## Department of Landscape Architecture (The Landscape Design Group (LDG) 109 ACADEMIC YEAR UNDERGRADUATE SCHEDULE OF COURSES

YEAR	REQUIRED COURSES		ELECTIVE COURSES	
	COURSE TITLE	CREDIT	COURSE TITLE	CREDIT
Freshman (Semester1)	<ul> <li>English(I)</li> <li>Physical Education(I)</li> <li>Computer Graphics(I)</li> <li>Basic Design(I)</li> <li>Representation and Rendering</li> <li>Design Basics(I)</li> </ul>	2 0 2 4 2 2	<ul> <li>Ecology</li> <li>Introduction to Industrial Design</li> <li>Carpentry Practice</li> <li>Software Application and Design</li> </ul>	2 2 2 2
Freshman (Semester2)	<ul> <li>English(II)</li> <li>Physical Education(II)</li> <li>Computer Graphics(II)</li> <li>APP Design and Application</li> <li>Basic Design(II)</li> <li>Design Basics(II)</li> <li>Botany</li> </ul>	2 0 2 2 4 2 2	<ul> <li>Model Making</li> <li>Theory of Color</li> <li>Product Material</li> <li>Contemporary Photography Technique</li> </ul>	2 2 2 2
Sophomore (Semester1)	<ul> <li>English(III)</li> <li>Basic Design (III)</li> <li>The History of Design</li> </ul>	1 4 2	Introduction to Landscape Architecture  Landscape Plants  Manufacturing Processes  Landscape and Bionic Design  Nursery Management	2 2 2 2 2
Sophomore (Semester2)	<ul><li>English(IV)</li><li>Basic Design(IV)</li></ul>	1 4	Site Planning     Human Factors and Interaction Design     Landscape Draining and Survey     Planting of Management     Land Art Project     Community planning	2 2 2 2 2 2 2
Junior (Semester1)	Basic Design(V)	4	Landscape Planning     Planting Plan and Design     Design Methods     Landscape Product Parameter Design     Landscape Engineering(I)     Project of Ecological Engineering	2 2 2 2 2 2 2 2
Junior (Semester2)	<ul> <li>◆ Basic Design(VI)</li> <li>◆ Landscape Ecology</li> </ul>	4 2	<ul> <li>Landscape Administration and Laws</li> <li>Computer Aided Engineering Analysis for Products</li> <li>Landscape Engineering(II)</li> <li>Landscape Construction of Budget and Specification</li> <li>Environmental Impact Assessment</li> </ul>	2 2 2 2
Senior (Semester1)	Basic Design(VII)     Professional Practice	4 2	<ul> <li>Irrigation Illumination and Water Feature</li> <li>Internships</li> </ul>	9
Senior (Semester2)	● Basic Design(Ⅷ)	4	• Internships	9

- 1. Graduation Credits: 128 credits.
- (1) Obligatory General Education Courses (28 credits) including Fundamental Courses (6 credits) and General Courses (22 credits). (General Courses consist of different areas in humanities & social relations, arts and science, self-exploration and health care. Each area shall take at least two core courses).
- (2) College Core Compulsory: 10 credits.
- (3) Department of common compulsory: 42 credits.
- (4) Major Elective: 39 credits. (Contains compulsory electives: 14 credits.)
- (5) Foreign Department: 9 credits.
- 2. Excluding Credits: sports 2 semesters
- 3. External Professional Practice 320 hours or more.

## Department of Landscape Architecture (The Product Design Group (PDG) 109 ACADEMIC YEAR UNDERGRADUATE SCHEDULE OF COURSES

Y	REQUIRED COURSES		ELECTIVE COURSES
